

This Floppy Disc is provided at no charge to customers with their first purchase of boomerang products from:

<http://www.flight-toys.com/>

Additional discs in CD format with much more comprehensive information, photos, videos, etc. will be available at no charge when you order additional products from [flight-toy.com](http://flight-toy.com). Please let me know about your specific interests (competition, sports throwing, craftsmanship, science, history, Aboriginal, etc.) when you place future orders so that I can match your free disks with your interests.

Several Adobe Portable Document Format (pdf) files are contained on this disk. Adobe Acrobat is required to access these files. Adobe Acrobat is freeware and is supplied with various web browsers and operating systems. If you do not have Adobe Acrobat on your computer, then you can download it for free from the Adobe web site = <http://www.adobe.com/>

The following files are included on this disk:

throwing.pdf - basic throwing instructions

tuning.pdf - advanced tuning instructions

MTA.pdf - Maximum Time Aloft (MTA) tuning and throwing instructions

longdistance.pdf - instructions for tuning and throwing long distance boomerangs

G10notes.pdf - instructions for tuning and throwing G10 or G12 material boomerangs

boomlit.pdf - a comprehensive database of boomerang related literature

boompatent.pdf - a comprehensive database of patents related to boomerangs

NewsORang.pdf - the text from early (1970s) newsletters published by The Boomerang Man

donnellanbook.pdf - the text from a very early (1940s) booklet by Frank Donnellan

maurobook.pdf - John Mauro's complete booklet about boomerangs (1980s)

hansonbook.pdf - Michael Hanson's complete booklet about boomerangs (1970s)

\*\*\*\*\*

If you enjoy boomerang throwing as a sport or hobby, please visit Boomerang World at:

<http://www.flight-toys.com/boomerangs.htm>

A large number of quality boomerang products is available at:

<http://www.flight-toys.com/boomerang/catalog.htm>

Special one of a kind competition, art or collectable boomerangs are regularly available in each flight-toys Boomerang Auction. This auction is held each year in both the Spring and the Fall. You can also find an assortment of books, posters, paraphernalia and old Aboriginal artifacts at:

<http://www.flight-toys.com/boomerang/auction.htm>
